1. Is my 1099-INT available?

If you earned \$10 or more in interest for calendar year 2025, your 1099-INT tax form will be available online by **January 31, 2026**. (If you already signed up to receive your tax statements electronically, it may be available earlier – and we'll send you an email when it is. If you didn't sign up to receive electronic tax statements, you may not receive an email.)

We only create a 1099-INT form if you earned \$10 or more interest for calendar year 2025. If you have further questions, please contact your tax advisor. (We'll also create a 1099-INT form if you cash in a savings bond at a Patelco branch, regardless of the interest earned.)

To see how much interest you earned during 2025, sign in to [Patelco Online™](#), select any checking or savings account, and then select the **Routing & Account Details** tab.
